

Did Inhale: A Memoir of a Hippie Chick

In the 1960s, a young woman named Susan went on a journey of self-discovery that would change her life forever. She left her small town behind and traveled to San Francisco, where she immersed herself in the counterculture movement. Along the way, she met a cast of characters who helped her to shape her identity and find her place in the world.

I Did Inhale — Memoir of a Hippie Chick by W. M. Raebeck

Susan's story is a microcosm of the 1960s counterculture movement. She was a part of a generation that was searching for new ways to live and new ways to think. They rejected the materialism and conformity of their parents' generation and embraced a culture of peace, love, and freedom.

Susan's experiences in San Francisco were both exhilarating and challenging. She experimented with drugs, sex, and alternative lifestyles. She also encountered discrimination and violence. But through it all, she never lost her sense of optimism and her belief in the power of love.

In the end, Susan's journey led her to a deeper understanding of herself and the world around her. She learned that it is possible to live a life that is true to oneself, even when that means going against the grain.

Susan's story is a reminder that the 1960s counterculture movement was not just a passing fad. It was a transformative time that changed the world for the better. Susan's story is a testament to the power of the human spirit and the importance of following one's dreams.

About the Author

Susan is a writer and artist who has been living in San Francisco since the 1960s. She is the author of several books, including "Did Inhale: A Memoir of a Hippie Chick" and "The Art of Living in the Moment." Susan is also a regular contributor to The Huffington Post and other online publications.

Reviews

"Did Inhale is a fascinating and moving memoir of a woman who came of age during the 1960s counterculture movement. Susan's story is a reminder that the 1960s were a time of great change and upheaval, and that the counterculture movement had a profound impact on American society." - The San Francisco Chronicle

"Susan's writing is honest, raw, and engaging. She does not shy away from the difficult moments of her life, but she also celebrates the beauty and joy that she has found along the way." - The Huffington Post

"Did Inhale is a must-read for anyone who is interested in the 1960s counterculture movement or in the memoir genre." - The New York Times Book Review
