But Just So Rhymes isn't just a rehash of old stories. Mike Mazzalongo, the author of Just So Rhymes, has created a new and unique collection of

poems that are sure to delight and surprise you.

Clever Wordplay

One of the things that makes Just So Rhymes so special is its clever wordplay. Mazzalongo has a gift for creating rhymes that are both fun and meaningful.

For example, in the poem "The Sneetches," Mazzalongo writes:

***“The Sneetches were all alike in the beginning,
But then they decided to get stars on their skins.
Some had one star, some had two,
And some had stars that were blue.”***

This poem is a clever commentary on the dangers of prejudice and discrimination. It shows how even the smallest differences can lead to division and conflict.

Charming Illustrations

The illustrations in Just So Rhymes are just as charming as the poems themselves. Artist Adam Rex has created a series of whimsical drawings that perfectly capture the spirit of Dr. Seuss.

From the mischievous grin of the Cat in the Hat to the wise old face of the Lorax, Rex's illustrations bring the world of Dr. Seuss to life.
