In her soul-stirring novel "Tashlich at Turtle Rock," Susan Schnur paints a vivid and intimate portrait of a woman's quest for renewal and resilience in the face of unimaginable loss.

As the novel opens, we meet Sarah, a successful New York City therapist whose life is turned upside down when her beloved husband, David, dies unexpectedly. Grief-stricken and lost, Sarah struggles to find meaning in her life without her soulmate.

In a moment of despair, Sarah remembers a childhood tradition called Tashlich, a Jewish ritual of casting away sins and sorrows by symbolically throwing breadcrumbs into a body of water. Seeking solace and connection, Sarah travels to the remote Turtle Rock, a secluded spot that holds significant memories from her past.

As Sarah sits by the rushing waters of Turtle Rock, she begins to confront her grief, her fears, and her unfulfilled dreams. With each breadcrumb she casts into the stream, she releases a piece of her pain and opens her heart to the possibility of healing.

But Sarah's journey of renewal is not a solitary one. Through her interactions with the local community, including a wise and compassionate rabbi, a group of eccentric neighbors, and a caring handyman, Sarah discovers the profound power of human connection and the unexpected sources of support that life can offer.

As Sarah grapples with the complexities of her past and present, she learns to navigate the delicate balance between grief and hope, forgiveness and redemption. Through her transformative experience at Turtle Rock, she discovers the enduring power of tradition, the importance of embracing life's uncertainties, and the resilience of the human spirit.

Written with lyrical prose and a deep understanding of the human condition, "Tashlich at Turtle Rock" is a testament to the healing power of love, the transformative nature of loss, and the enduring bonds that connect us all.

Reviews

“A poignant and heartwarming tale that explores the depths of human emotion and the resilience of the human spirit. Susan Schnur's writing is both evocative and insightful, drawing readers into Sarah's journey from despair to renewal.”
- Publishers Weekly”

“Tashlich at Turtle Rock is a beautifully crafted novel that delves into the complexities of grief, faith, and the human need for connection. Schnur's characters are deeply relatable, and her storytelling is both moving and thought-provoking.”
- Booklist”

““A powerful and unforgettable novel that will stay with readers long after they turn the last page. Susan Schnur has created a masterpiece that explores the universal themes of love, loss, and the search for meaning in life.”

- Kirkus Reviews”
