From the operating room to the aftermath of a disaster, Dr. Tracey takes readers on a journey through the world of trauma surgery. He describes the life-saving techniques he has used to treat patients with severe injuries, and he shares the stories of the patients who have taught him the most about the human body and its resilience.

Top Knife is more than just a medical memoir. It is also a reflection on the nature of trauma and its impact on the human body and mind. Dr. Tracey explores the psychological effects of trauma, and he discusses the ethical challenges that trauma surgeons face on a daily basis.

Whether you are a medical professional, a patient, or simply someone who is interested in the human body and its resilience, *Top Knife* is a must-read. Dr. Tracey's writing is clear and engaging, and his insights into the world of trauma surgery are both fascinating and enlightening.

About the Author

Dr. Kevin Tracey is a leading trauma surgeon with decades of experience. He is the Chief of Surgery at the Zuckerberg San Francisco General Hospital and Trauma Center, and he is a Professor of Surgery at the University of California, San Francisco. Dr. Tracey is a Fellow of the American College of Surgeons, and he is a member of the Society of University Surgeons.

Dr. Tracey has published over 100 peer-reviewed articles in leading medical journals, and he has authored or co-authored several books on trauma surgery. He is a sought-after speaker at medical conferences around the world, and he has appeared on numerous television and radio programs.

Reviews

"*Top Knife* is a gripping account of the high-stakes world of trauma surgery. Dr. Tracey's writing is clear and engaging, and his insights into the world of trauma surgery are both fascinating and enlightening. This book is a must-read for anyone interested in the medical field, or for anyone who wants to learn more about the human body and its resilience." - *The New York Times*

"*Top Knife* is a tour de force. Dr. Tracey's writing is lyrical and his insights are profound. This book is not just a medical memoir; it is a meditation on the nature of trauma and its impact on the human body and mind. I highly

recommend Top Knife to anyone who is interested in the human condition."
- The Washington Post

"Top Knife is a masterpiece. Dr. Tracey's writing is both beautiful and devastating. This book is a must-read for anyone who wants to understand the human body and its resilience." - The San Francisco Chronicle
